

# Xenia Band Boosters Communicator

July 2008

Volume 2, Issue 7

## THOUGHTS FROM THE PODIUM...

Greetings from the Band Director!

Welcome! Despite the end of school, I am truly excited about the coming year, and the learning and performance opportunities it will bring. The numbers in the program are up across the board, and the outlook is bright. I am looking forward to getting to know all of our new members (and we have a LOT of them)!! We welcome you into the XHS band community. A successful band takes a monumental group effort to make it all work, and I look forward to your contributions and efforts in the fall! This Web site will be updated with the required dates and times for band camp, as well as vital information for the enjoyment of your experience!

Parents, please take a moment to consider a role with the Xenia band boosters. We need parent volunteers! A band

program cannot run smoothly without you. Parents that have an opportunity to help with an organization such as this always find it to be a rewarding experience. If you have not joined the band booster organization at XHS or attended a band booster meeting, I encourage you to do so. No band program can succeed without your help and support!!!!

If you have any questions or concerns, please feel free to email me at [tspringe@xenia.k12.oh.us](mailto:tspringe@xenia.k12.oh.us). You will receive your fastest response by email, as I am working from home quite a bit. Let us make music while striving together toward excellence!

Musically,  
Tom Springer  
Director of Bands  
Xenia High School
